## Introduction:

Himkala Adventure is an experienced, government-registered trekking and tour company running tours in Kathmandu and around the country of Nepal. It is headquartered in the Thamel district, the main tourist area, of Kathmandu, Nepal. Founded by a trekking guide with 15 years of experience and run by an extremely knowledgeable staff, Himkala Adventure is the product of a passion for sharing Nepal with the world and a devotion to excellence in service.

Himkala Adventure specializes in trekking, tours, paragliding, rock climbing, jungle safaris, antique/artisan handmade art tours, as well as many other adventurous activities in Nepal. The company also operates tours to India, Bhutan, Sikkim, and Tibet. Himkala Adventure has a large range of tour package options, and tours can be customized as well.

Himkala Adventure prides itself in the originality of its trekking offerings - we are an eco-friendly trekking company whose goal is to share the wonder that is Nepal by taking travelers to not only the well-known tourist sites but also to unique locations so that travelers can truly see Nepal through a local's eyes. Himkala Adventure looks forward to establishing long standing, successful partnerships all while sharing Nepal's rich culture and pristine nature.

## Why Partner with Himkala Adventure?

### **Himkala - A Service Oriented Company:**

Himkala offers a variety of choices in services to focus on enriching the travelers' stay. Himkala is passionate about enhancing Nepal's tourism image as a premier travel destination and as a result, is constantly maintaining, improving, and diversifying the quality of tourism products and services.

### **Himkala - A Service-Flexible Company:**

Himkala welcomes requests for personalized tour and trekking packages. We have the resources to readily meet your preferences for trips, saving you the burden of arranging multiple requests. We provide individual quotes based on preferred itinerary, hotel arrangements, group sizes, and time constraints.

### **Himkala - A Safe and Secure Company:**

Himkala is a government registered company with all appropriate licenses and certifications. Our safety record is unsurpassed and our professional tour and trekking staff are trained to ensure the utmost safety and health of travelers.

### **Himkala - A Fair and Transparent Company:**

Himkala has no hidden or extra costs and in the packages we advertise. In offering customizable packages, we will also clearly state the costs for each individual aspect of the package. Our package offerings are competitively priced in comparison to other trekking companies and we will gladly meet the price of our competitors.

### **Himkala - A Professional and Emergency-Response Ready Company:**

Himkala staff are trained and licensed professionals with on average ten years of experience. Our guides are dedicated to making each excursion not only educational and fun but also safe. Himkala can readily respond to any emergency.

### **Himkala - A Socially Responsible Company:**

Himkala invests a percentage of its profits into social activities for the welfare of neighboring villages. We also strive to make positive impact on the local culture and environment so we conduct our tours respectfully and mindfully.
